Port Harcourt, Rivers, Nigeria • +234 901 800 2959 • ebube5298@gmail.com
Portfolio: [ebubechukwuonwukwe.vercel.app](#) • [GitHub](#) • [LinkedIn](#)

PROFESSIONAL SUMMARY

Full-stack developer and full-stack team lead with experience building, maintaining and delivering responsive web applications across frontend and backend systems. Experienced with React, Django, Django REST Framework, Tailwind CSS, PostgreSQL, REST APIs and PHP. Currently leading a development team at DueSpace Labs, contributing across frontend and backend development, technical planning, code quality, collaboration and delivery. Strong at turning business requirements into practical, maintainable solutions while working effectively across the full software development lifecycle.

CORE TECHNICAL SKILLS

Frontend	React, JavaScript, HTML5, CSS3, Tailwind CSS, Bootstrap, Framer Motion, Responsive UI
Backend	Django, Django REST Framework, PHP, RESTful APIs, Server-side Development
Data	PostgreSQL, MySQL, Database Design & Integration
Engineering	Git, GitHub, Jest, PyTest, ESLint, API Integration, Testing, Debugging
Leadership	Technical Leadership, Team Coordination, Code Review, Problem Solving, Agile Collaboration

PROFESSIONAL EXPERIENCE

Software Engineer

DueSpace — Remote | Jun 2026 – Present

- Lead the development team across planning, implementation, code quality and delivery of web projects.
- Contribute across both frontend and backend development, working with React, Tailwind CSS, APIs and backend services.
- Coordinate development priorities, break requirements into actionable tasks and support the team through implementation.
- Review technical work, troubleshoot issues and help maintain consistent engineering practices across projects.
- Collaborate on architecture and delivery decisions while balancing product requirements, maintainability and project timelines.

IT Support Officer

Abili Integrated Services Limited — Port Harcourt, Rivers State | Aug 2025 – May 2026

- Integrated drone technology with central servers to support real-time data streaming for security operations.
- Monitored live data streams and prepared progress reports and status updates for management.
- Diagnosed and resolved hardware, software and general IT issues to minimize operational downtime.
- Supported stable drone-to-server communication and day-to-day ICT operations.

IT Support Specialist

Primestone Legal Practitioners — Owerri, Imo State | Jan 2025 – Jun 2025

- Provided end-user support across system, network and application issues.
- Maintained and updated the firm's website, improving responsiveness and cross-device compatibility using Bootstrap.
- Supported hardware setup, software updates, data backups, email configuration and printer setup.
- Trained staff on productivity tools and IT best practices.

Full Stack Engineer

Goglow Nigeria Limited (Goglow Hub) — Owerri, Imo State | May 2023 – Dec 2024

- Developed RESTful APIs and integrated them with dynamic React frontend interfaces.
- Built reusable React components and implemented state management using Redux.
- Designed Django backend architecture including models, views and the admin interface.
- Built responsive interfaces with Bootstrap and wrote unit tests using Jest and PyTest.
- Used Git for version control and followed clean-code practices with ESLint.

PROJECTS

NMA Voting System

[React](#) • [Bootstrap](#) • [Django](#) • [Django REST Framework](#)
Secure voting platform for the Nigerian Medical Association supporting elections, voter management and results.

The Beacon Academy

[React](#) • [Tailwind CSS](#) • [Framer Motion](#) • [Web3Forms](#)
Modern responsive school platform showcasing programs and services with interactive UI.

PrimeStone LP

[HTML](#) • [CSS](#) • [Bootstrap](#) • [JavaScript](#) • [PHP](#)
Professional law-firm website with services, attorney profiles and a working PHP/PHPMailer contact workflow.

EDUCATION

Bachelor of Engineering (B.Eng.) in Computer Engineering
Madonna University, Elele, Rivers State | Oct 2019 – Nov 2024

DueSpace

[React](#) • [Tailwind CSS](#) • [Framer Motion](#)
Web development work delivered as part of the DueSpace development team, including planning, implementation and project delivery.
